DIGNITY DARE

No. 1982, Vol. 5, A. S. H. R.

Mahogany bay, black points, white only on left hind foot, 9 years old, 15 3/4 hands high, weighs 1,300 pounds, strong, flat bone, heavy mane and tail, good back, with long, crany, tapering neck, well set in high-mounted shoulders, a saddle horse head and ear on him a model under halter, always wears blue string in model rings, wonderful style in harness, has always been the victor in stallion trials, as a breeder, when shown with three or more of his get, for size, style and general conformation, and for all purposes. He is a saddle horse with five distinct gaits, fast line acting rack, good in two walks and a nice looper; very positive in his trot under saddle and in harness, great all around action. As he is required for an up-to-date sire of high priced sale horses for saddle or harness. He is a sure enough harness horse, graceful, stylish and fast; can show eight miles in 15 1/2 seconds, a 1:18 gait, with but little handling; did this last fall one year ago, after serving 91 mares in the spring. He is possessed of wonderful nerve and speed enough to get a trotter for track use or gentlemen's roadsters; large, handsome, stylish, heavy and strong enough to get carriage horses with a kind of disposition for all purposes of a family horse. He is the horse to sire parkers, stylish, graceful, substance and docility. It has been given up by horsemen that he is one of the most uniform breeders in Kentucky. He types his colts after himself; has never sired a sorrel colt. The most profitable horse for the farmer and small breeder to produce is the horse which serves the widest range of purposes well. His colts are show colts; of the very highest type, blue string winners from the oldest to the youngest.

KING EAGLE.

King Eagle is 16 hands high, dark bay, goes all the gaits with plenty of speed, style and action, sired by Royal King.

1st dam by Eagle Bird; 2nd dam by Red Lion; 3rd dam by Harris' Denmark, he by Miller's Denmark; 4th dam by Jim Bell, thoroughbred.

NOTE—Royal King was sired by the great On Time and is a brother to the great Silver King and Allie G. the great show mare that sold for \$1,000. King Eagle's 2d dam is the dam of Minnie Boyd, the great show mare that Matt Conen won everywhere within 1895 and a 1d for \$500. King Eagle is proving himself a great breeder of fine colored and high styled colts, his colts all having plenty of size; his oldest colts being three-years-old this spring. There was one of his two-year-olds last season that proved to be a great show filly.

King Eagle will make the present season of 1905 at my stable, 2 1/2 miles west of Stanford on the Shelby City pike at the low price of \$10 to insure a living colt.

Will also stand the great mare and jennet Jack, Billy Keene, at \$10 for mares and \$20 for jennets to insure a living colt. Billy Keene was sired by the great Tom Keene; 1st dam by the imported Palermo; 2d dam by Levi Hubble's Prince, the sire of Joe Blackburn and Brignolia. Billy Keene stands full 16 hands high, black with white points, as a breeder, he is unsurpassed as a male or jennet jack. Billy has had several two-year-old jacks to sell lately at \$700 and \$800.

Will also stand the great young Jack, Jim Keene; he is by the great Billy Keene; 1st dam by the imported John Wells; 2d dam by Beecher. Jim Keene is proving himself a great breeder, there being two of his male colts shown last year, one wearing the blue and the other the red in the same ring. Jim Keene will serve mares at \$10 to insure a living colt.

Mares traded, parted with or bred else where forfeits the insurance and money becomes due at the time of such transaction. For further particulars call on or address S. T. HARRIS & ROBT. WOODS, Phone 72-Ring 3. Stanford, Ky.

The loss of W. L. McCarty's large store and dwelling by fire Tuesday morning was quite a blow to our little town, besides being a very sad one to Mr. McCarty. Everything in the store was destroyed and only about half of the furniture of the dwelling was saved. Mr. McCarty carried \$5,000 insurance.

Miss Lettie Murphy, who has been with relatives at Cleveland, O., has returned home and opened a dressmaking establishment. Miss Murphy is said to be an excellent hand and we wish her all success. How to Ward Off Old Age.

The most successful way of warding off the approach of old age is to maintain a vigorous digestion. This can be done by eating only food suited to your age and occupation, and when any disorder of the stomach appears take a dose of Chamberlain's Stomach and Liver Tablets to correct it. If you have a weak stomach or are troubled with indigestion, you will find these Tablets to be just what you need. For sale by Lyne Bros., Crab Orchard, Ky.

"I sometimes think," said the minister, "that it might not be a bad plan to revive the old custom of a preacher's keeping an hour-glass on his pulpit."

The friend nodded in agreement, but said: "Wouldn't it sometimes be more to the point to have an alarm-clock in each pew?"—Judge.

A Creeping Death.

Blood poisoning creeps up towards the heart, causing death. J. E. Sterns, Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. J. K. BAUGHMAN'S NABOTH.

By Naboth, bay, three-years-old and a much finer horse than his sire, so well known in this part of the State as a breeder of speed, style and durability. Data Nora Norval, by Noval, 2:14 1/2, a son of Electioneer 125. Nora Norval's first dam by Metropoli-tan, son of Hambletonian 10, sire of George Wilkes and Electioneer; 2d dam by Mambrino Starlight; 3rd dam by Oliver; 4th dam by Wagner; 5th dam by Imp. Tranny; 6th dam by Thornton's Rattler. A splendid individual with a pedigree as fine as any horse's.

HUMMER, JR.,

Bay stallion, 15 1/2 hands, a good individual with abundant speed. He is by Hummer 6112, sire of Bouncer 2:09, State's 2:11 1/2, Spaulpe 2:12 1/2, Quickly 2:14 1/2, Mountaineer 2:15 1/2, Speed 2:19 1/2, 15 in 2:30. Hummer 6112 is a son of the renowned Electioneer, and, save one, is the only son of Electioneer living that is out of a George Wilkes mare, and with the exception of Arion is the only son standing in Kentucky that has a 2:09 performer to his credit. Hummer, Jr.'s dam is Zulma, by the great Lord Russell, dam Godiva, by Auditor 773.

J. K. BAUGHMAN, Hustonville, Ky.

TEMPLE HILL STOCK FARM,

Magee's Place, City Limits,

Harrodsburg, - Kentucky.

Red Leaf, 4-years-old record 2:22 in 9th heat over one-half mile track. Sire of 5 with records better than 2:28. Champion show horse of Kentucky and leading sire of high-class road horses and teams. \$25 to insure a living colt, and a good one at that, or \$12.50 the season.

I claim it is to the best interest of the owners of mares of Mercer or adjoining counties to Red Leaf—let it be said. He is not for sale; I expect to keep him and breed and handle his produce, and it is very natural that I will work for the sale of all his colts for high prices, no matter to whom they belong. 2nd, Because his colts have a reputation and have sold for higher prices undevoted than those of any stallion in Mercer or adjoining counties. 3rd, Because his colts have taken more premiums than those of any stallion in Mercer or adjoining counties. 4th, Because he has a better record as a race horse, having won 10 out of 13 races, and a better record as a show horse, having won 28 out of 30 shows, than any stallion in Mercer or adjoining counties. 5th, Because Red Leaf is the only horse sired by a horse with a record of 2:18 1/2 (C. F. Clay), who has sired with records better than 2:25, and with a dam (Lady Hart) that every colt she had taken a standard record and was a winner, and whose granddam (Scotch) was the greatest brood mare in the world, having 11 in the list, and whose sire (C. F. Clay) sold for \$6,000, and whose dam sold for \$1,500, whose dam's sire Red Wilkes sold for \$20,000 for a half interest, and who himself (Red Leaf) sold at three years old for \$1,000 and at 14 years old for \$1,500, and that has himself sired 14 colts to sell for over \$200—some as high as \$2,000—and teams from \$1,500 to \$3,000, in Mercer or adjoining counties. 6th, But three of Red Leaf's colts were ever removed for speed and they all took records. 7th, But one of Red Leaf's colts was ever reared, and he started in 11 or 12 races, winning first in one and second in all the others, as shown by the Year book, and showed miles in 2:15, and would have been a sensational horse had he lived. 8th, Red Leaf has more high-class, high-priced teams than any stallion in Kentucky in the past two years, 9th, I can show several offers of over \$1,000 for a pair I now have. None of these sold five years old, and most of them under three years old.

Now I say if you want a trotter, Red Leaf is bred to get them, as his sire is one of the greatest sires of extreme speed, and his dam a great producer, and she by one of the world's greatest sires of speed (Red Wilkes), and his sire's dam the greatest brood mare in the world. If you want a show horse, he has proven he can get them of the highest quality, a three-year-old mare by him showing through the circuit in regular and sweepstakes and winning 24 out of 30 shows—some of equal quality only by the world's famous gypsy Queen. If you want a business horse, he can get them that will sell for the highest price, and his sire is sure to be great brood mares. If these are not facts, why not?

I also have a good Black Jack to stand at \$10 to insure a living colt.

R. E. GODDARD.

Galton 12910.

Sired by Gambetta Wilkes, 2:19 1/2, 1st dam Da'sy Field, (grand-dam of Alice Wilkes, 2:17, Alretta, 2:15 1/2), by Fast-id, sire of six in 2:30 and dams of 40 in 2:30 or better; 2nd dam Quickstep by Kentucky Prince, Jr., sire of J. Q. 2:17 1/2, Lemonade 2:27 1/2 and the dams of 15 in the list; 3rd dam by Old Joe, sire of the dam of J. Q. 2:17 1/2. Galton carries the blood of four leading families—Wilkes, Hambletonian, Mambrino Chief and Seeley's American Star. Galton is a dark bay, 15 1/2, breeds in the dam of J. Q. 2:17 1/2 and a sire of speed. Only three of Galton's colts have been handled for speed. Laying all worked miles out in 2:28 and better. This is evidence that he will get plenty of speed from the right class of mares and a horse that can't get speed, can't get action or good road horses. I have recently sold four of his colts, three to five-years-old, at an average of \$300. Sold another four-year-old for \$400; she got crippled before shipping, therefore lost the sale. Have one that I can sell at any time for \$600. Mr. Middleton and myself have one at Danville we have refused \$350 for. He will be handled this season for speed. O. O. Carpenter has a young gelding by Galton and has refused \$500 for him. He holds him at \$1,000. This is just a few instances of recent sales. Galton has made all of his seasons at my stable, 11 in all, and served the last three seasons an average of 75 mares the season. This is another of the best recommendations a stallion can have. He was a great show horse in his young days, having defeated some of the best in harness classes, and labored under a great disadvantage, owing to a very bad cripple in one shoulder at a two-year-old, with the cripple he can work a mile in 2:25, with but little handling. His colts have gone against and defeated the best, one of his colts having won a \$75 premium at the Hustonville Fair over the best. This is a few instances of what he has already done, not what he is going to do, for I think his future will be much better, as the class of mares he is getting of late are much better than his first seasons.

Galton's sire, Gambetta Wilkes, has produced one of the greatest families. He has 13 in the 2:10 list. This is more than any other horse has in 2:10. He has 161 in 2:30 and better. This is more than any other horse of his age has in the 2:30 list. Gambetta's sons and daughters have over 400 in the 2:30 list. This is proof that Galton has a right for what I claim for him. Galton will stand at \$10 to insure a live colt; mares traded off after breeding forfeit insurance. Grace after the 30th of April at \$2 per month. Will stand at my place two miles West of Hustonville on Bradfordville pike. Phone in residence. W. M. DOUD, Hustonville, Ky.
